

Norway Live 2025: Practical Info

July 17 Agenda

See updated agenda at <https://flightlevel.no>

Sleeping

It's not allowed to sleep at the venue. Next door hotel Scandic Vulkan has given us a [discount with this link](#) for their flex prices. You're not required to use this accommodation and Oslo offers a lot of alternatives.

VATSIM Event + Cross the Pond

This year we'll have three events!

- 14 hours of Norway Live 10-00 LT on Saturday (with planned break between 15-18 LT for [presentations](#))
- Some hours of Cross the Pond on Saturday
- 2.5h of Good Sunday Morning on Sunday

VATSIM Event department will follow up regarding staffing. Everyone is of course welcome to control prior and post the event if they want to.

Presentations

We'll be having some presentations related to this year's event. Check out [the agenda](#) for details. Everyone is welcome to join, you don't need a LAN ticket to participate.

Identifying staff

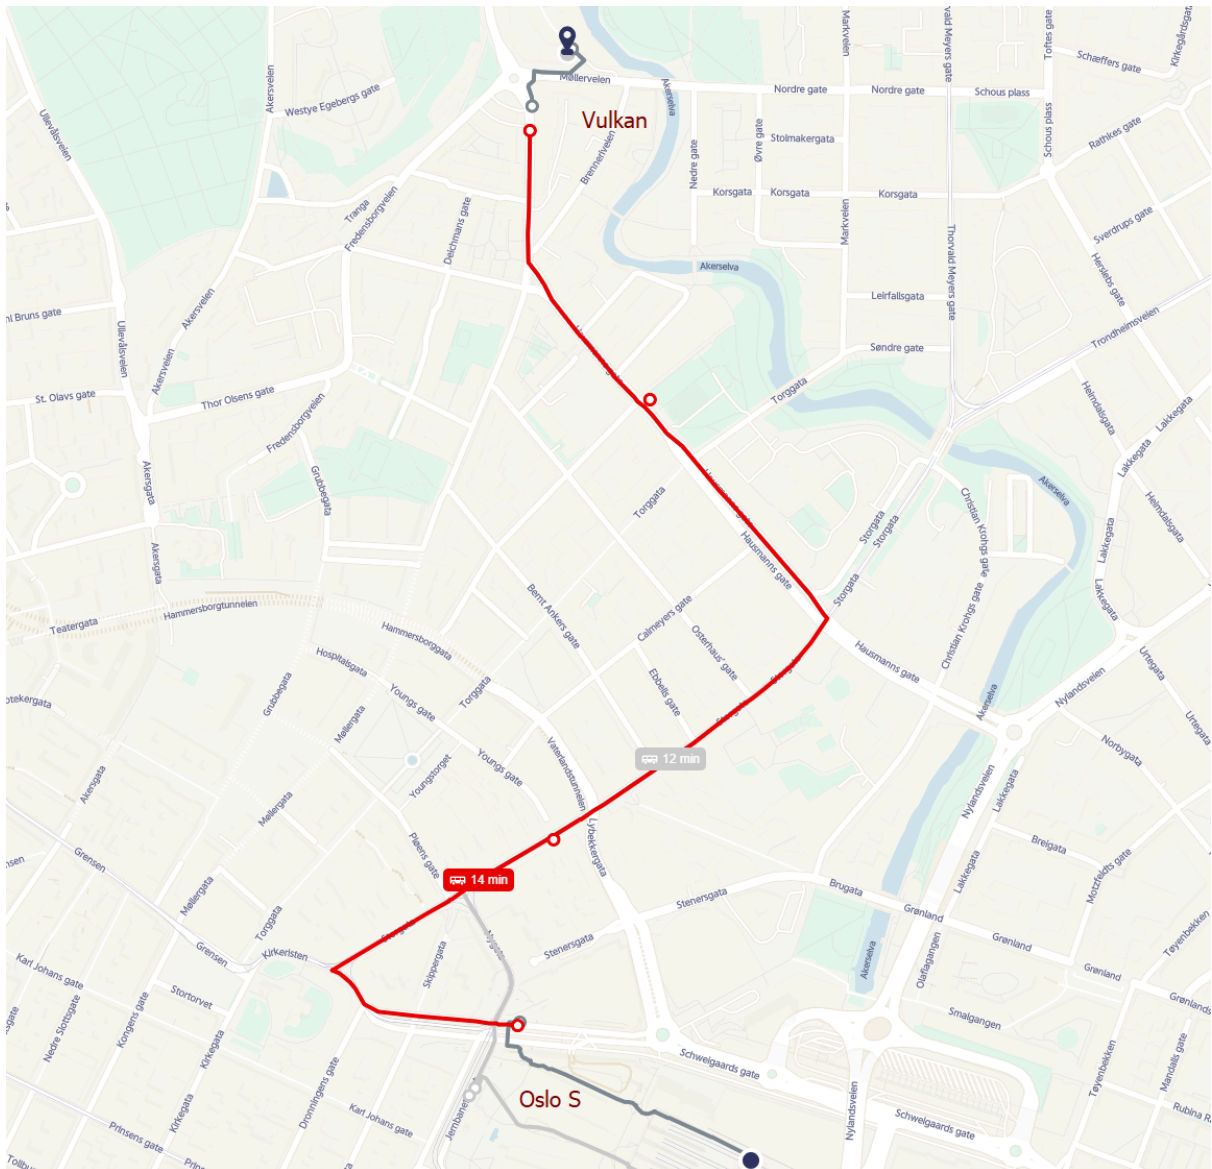

Staff will be identified with a badge stating they're Flight Level Crew.

 Getting to the venue

If you're arriving by airplane to Oslo-Gardermoen, we highly recommend taking a local train (Green Vy-trains) instead of the Airport Express (Flytoget). This will save you money, takes equally long, but also grant you access to the local metro, bus and tram transportation in Oslo in the same ticket for your journey.

Once you arrive in Oslo S, we recommend taking the 34 Bus from "Jernbanetorget" to "Møllerveien". The whole trip takes about 14 minutes and is the trip that has the least amount of walking to the venue if you're carrying a lot.

Google Maps or [Ruter.no](https://www.ruter.no) are the best options to check out connections. "Vulkan" is the destination point you can search for.

P Parking

If you come by car, the Vulkan P-hus is the closest but most expensive parking. Alternatively we recommend checking out the street [parking at Oslo Kommune](#).

If you wish to drop off items, the roundabout by the hotel is the closest and best option. Please note it's not allowed to stop there, so perhaps get a helper who can grab your things.

Hydration

All LAN ticket holders will be granted free access to our sponsored pool of sponsored drinks from Coca-Cola. We're not sure about the exact beverage or amount.

House of Nerds bar is selling for 42 NOK: Pepsi, Pepsi Max, Solo, 7-up, Eplemost and Battery.

After 20:00 when the upstairs closes to everyone under the age of 20, the crew can arrange non-alcohol drinks from the bar and water will always be available.

We remind you that alcoholic beverages are prohibited to be consumed or brought into the venue (the basement).

Food

House of Nerds have very limited food options. For proper food, we recommend checking out the [Mathallen Food Court](#) for everything from burgers, asian, mexican, italian etc. There's also a lot of options in the area around the food court.

Do you want cheaper pizza?

At Pizzeria & Vino La Famiglia at Mathallen, you'll get by showing your LAN ticket:

- 10% on whole pizza
- 30% on pizza slices

You may bring the food into the venue, but not beverages as mentioned above.

Seating

You'll be provided with one desk (180x70 or 90x70) and a chair.

- You can expect one power socket, if you need more to e.g. power your monitor, you need to take with you a grounded extension cord.
- You may not connect other appliances than your computer and accessories to the power grid, this is due to capacity.
- If you're going to connect to the internet with wire, take with you an ethernet cable that's at least 10 m long as the switch might be far away from you.

 Security

All participants are responsible for their own equipment or items. We're not able to watch out for everyone's items.

However, during night time when House of Nerds and the LAN closes - the doors to the basement are also closed and only opened by crew the next day. During daytime, guests of House of Nerds may enter the venue to get inspired by us avgeeks, so we recommend pairing up with your neighbour to watch your equipment if you're going away for a longer period of time.

 House of Nerds after 20:00

After 20:00, House of Nerds introduces a strict 20-year old rule for their upstairs. All attendees under 20 years old are only allowed to stay in the LAN-basement venue after this time.

There is a dedicated entrance to the basement, so you may leave and enter the venue after this time.

We'll make sure to make beverages and water available for you at all times.
